Dear Sirs

**Castle Cement Limited trading as Hanson Cement  
Padeswood Works Permit BL1096 Application for variation**

Please find enclosed the application for variation to install a new cement mill, rail loading silos and associated equipment. Following discussions with the site officer this application is for a substantial variation although the change in environmental impact is negligible and in many areas such as energy efficiency and climate change positive.

The following documents are enclosed:

Application form parts A, C2, C3 and F  
Variation application  
Appendices to variation application  
Copy of letter of authority to sign

If you require any further information please do not hesitate to contact me.

Yours faithfully

Iain Walpole
